

# GNOME SCAVENGER HUNT

Cross out the square once you find a gnome that fits the description

Wearing your favorite color	Sitting on a rock	With a very long beard	Who reminds you of a friend
That reminds you of a story	In a really high up place	GIANT GNOME	Who fell over
Telling a secret	Next to a very big tree	In a silly place	On a swing
Riding a unicorn	Sitting in 3 towns	That was hiding	That makes you smile

HOW MANY GNOMES DID YOU SEE? \_\_\_\_\_

# WRITE A STORY
