THIS MAP IS NOT A SURVEY

This map is not a survey or subdivision plat, and should not be used or construed for such purposes. It was prepared without the benefit of field measurements or extensive title research. It is intended solely to assist the owner(s) of the land and Mount Grace in the administration and interpretation of the conservation restriction, by clearly depicting the presumed boundaries of the property, calculating the approximate acreages, and showing the approximate locations of any excluded lands, farmstead or homestead complex or special treatment areas.
